## Description

During the Renaissance, the Loire valley was the favourite haunt for the French kings and their courtiers. Their legacy is a dazzling array of castles, each with its own amazing architectural elegance. Art and history mingle with a certain sweetness of life in this country called: The Garden of France

## Other

Not included are: tips, personal expenses.

Sequel to the number of participants, return transfers should be done, by special coaches, from and to the Palais des Congrès de Paris (TBC).
